SPLASH!!

Central Christian Church

Seymour, Indiana March 7, 2010

Next Sunday, March 14

Next Sunday, March 14, Pastor Lewis will be preaching on "Everybody's Included," based on Acts 15:1-30. How can I be sure that I'll go to heaven when I die? What is my life's purpose on earth? Why do so many people reject Christianity as the solution to life's problems? Can I really be forgiven for what I've done? This month we will continue to answer these questions in our series on *Everybody*.

Most people don't have a problem with God. Unfortunately, many do have a problem with the church. Christians have made Christianity so complex that people simply write it off as irrelevant and confusing. We will explore how this problem surfaced in the very early days of the church, how they dealt with it then, and how we should deal with it now.
