Next Sunday - "Say" Series Begins

Next Sunday, May 23, we will begin a new "Say" Series. "Sticks and stones may break my bones, but words will never hurt me." It's a cute saying; but unfortunately, it doesn't ring true for most people. Words have power. They have the power to build and the power to destroy lives.

Join us next Sunday, May 23, for the sermon titled "Beware of the Mouth" based on James 2:2-12.

All of us have had moments when we wish we could reach out and retrieve the words that just left our tongue. One of the most important life skills we can learn is how to monitor what we say before we say it.

Sign up Today!

We will have a new pictorial directory this year. You may sign up immediately on-line by going to our website, www.centraldisciples.org and clicking on the link "Pictorial Directory." Instructions will follow on setting up your appointment. If you do not feel comfortable doing this on your own, you may call the church office. You may also sign up this Sunday or next.

The dates for picture taking will be June 2, 3, 4 & 5; June 16, 17, 18 and 19. Sign-up sheets are in the lobby.

Disciples are Expanding the Table

Against the odds of being denied land and permits, Chimiste Doriscar, a Haitian new church planter, found a quaint site in Carl, Georgia that had 3.76 acres of land and a house. With a loan from Church Extension, this property became the site of Centre Evangelique La Pierre Angulaire. The house is now converted into a sanctuary with more than 100 chairs for the congregation. The church, founded in 2002, is thriving, said Doriscar. "Sometimes we have to add more chairs for worship."

In 2001, New Church Ministry was involved in the planting of two Haitian congregations. Since then, of the 640 new Disciples churches started in the United States and Canada, 100 of them are Haitian congregations. There is a certain connectedness that is shared by those who are part of the new church movement. It's a welcoming spirit of Disciples' kinship that reaches out to embrace all who come to the table of worship to be joined together as a family in service to God and neighbor. Now more than ever, New Church Ministry and all our partners embrace with love and support our Haitian families in the United States and in Haiti who were impacted by the earthquake on January 12, 2010.

The Pentecost Special Day offering will be received next Sunday. Through your offering, you are a part of sharing Christ to the world!

Graduation Sunday

Graduation Sunday is June 6. The youth will be participating in all areas of the service. This year's speakers are Megan Atwood, Patricia Moravec and Mark Murry. The theme is "Freedom To Be Me." Please plan to attend church June 6 to support our students who are graduating from high school and college.

If you have someone graduating from college, please call Robin Everhart in the church office at 522-4211.

How Does Atrial Fibrillation (Afib) Affect Me?

Normally, your heart contracts and relaxes to a regular beat. With Afib, part of the heart doesn't beat the way it should.

- **2.2 million Americans have Afib putting them at risk of clots & stroke**
- **15% of strokes occur in people with Afib**
- **The likelihood of developing Afib increases with age**

Protect your health by finding out your risk of Atrial Fibrillation by having an EKG test in the Life Line Screening that will be at Central Christian Church on Tuesday, June 8. Through a painless 6 lead EKG we can detect an irregular heart rhythm. This disease increases the risk of stroke 5 times. Register today for the Stroke & Heart Rhythm package for only \$139 which includes four screenings: carotid artery, abdominal aortic aneurysm, peripheral arterial disease and atrial fibrillation. Call 800-324-1851 or visit www.lifelinescreening.com with Priority Code HSC6369 to schedule your appointment. Join in the fight against vascular disease!
